Associate

Decisive. Consistent. Persistent.

Anthony's drive comes from his ability to help my community in the challenging legal field. Anthony communicates and collaborates with his clients to achieve their desired legal outcomes effectively. As your attorney, he wakes up every day to compete for you and your ongoing demands to bring home a win.

ANTHONY IS A TRAINED COMPETITOR WHO ADVOCATES RUTHLESSLY FOR HIS CLIENTS.

Anthony brings a dynamic edge to provide competitive results for his client's legal demands. Anthony's previous experience competing as a former Division I baseball player brings a competitive sense of urgency that promotes communication, teamwork, and winning results. He will analyze, adapt, and apply knowledge and skills to produce satisfactory results in the client's best interest.

Anthony is patient but persistent in and out of the courtroom. As a former student-athlete, Anthony learned that success comes from dedication and persistence in sharpening your craft. This dedication brought success on the field in the form of Big XII conference championships and College World Series appearances.

Anthony's athletic success followed him into the classroom as he earned a Bachelor's in accounting from Texas Tech University and chose to pursue higher education at UNT Dallas College of Law. During his tenure at UNT Dallas, Anthony achieved academic success in the classroom and competitive success on several Boards of Advocates Mock Trial teams. These experiences developed Anthony's competitiveness, dedication, and expertise to win in the courtroom and meet his client's goals.

Anthony's experiences and training are engraved into his work ethic to transform him into an elite competitor and an excellent teammate. As your legal teammate, he will bring the commitment, grit, and strategies he has learned to help his team reach their desired outcomes.
